Earlier this month, staff hosted a similar in person meeting to talk with residents about their perceptions of municipal services and governance. This was also an opportunity for residents to learn directly from Town staff about items they were interested in discussing. These serve as a high level kick-off for a series of department and service specific monthly Community Conversations scheduled to begin in December.

If you are unable to attend or would prefer to provide individual feedback, please do not hesitate to use the How are We Doing link on the Town website (www.orono.org) or email info@orono.org.
